## EXPERIENCE

**Code Coach**

**theCoderSchool**

**2019-2021**

**Centennial, CO**

Taught coding fundamentals to students K-12 using Scratch, Python, and Java.

- Worked with students to build interesting and engaging projects while teaching them basic syntax and programming principles.
- Picked up new languages and tools as necessary in order to satisfy workplace expectations.

**Headliner Vocals**  
**Vocal Coach**

**2018-2020**  
**Centennial, CO**

Taught singing lessons to students of all ages.

- Personalized lessons for each student based on their interests and abilities.
- Technical, detail-oriented approach to improving pitch, tone, and general musical ability.
- Gave students techniques for continued growth outside of lessons.

**EDUCATION**
